After the decision

Applicants will be advised of the decision in writing and receive feedback on each of the five Performance Standards.

For successful applicants, this feedback may include a list of improvements the Authority will require you to make to ensure your organisation meets the Performance Standards (the implementation of which will need to be demonstrated as part of the first year's annual reporting process).

For unsuccessful applicants, this feedback will include the reasons why your application was not successful, which will assist you should you wish to develop a new application.

Successful applicants will be added to the Public Register on the Authority's website and registration will be published in the [New Zealand Gazette\(external link\)](#).

We will also notify Te Tūāpapa Kura Kāinga - Ministry of Housing and Urban Development (HUD)'s housing supply team that your organisation has been registered and can partner with HUD to supply community housing. For more information about supply opportunities, visit the [Partner with us\(external link\)](#) page on the HUD website.[\(external link\)](#)

An applicant may appeal to the District Court in relation to CHRA's decisions affecting registration. For more information see our page on [disputes, complaints and appeals](#).
