## Once registered

We use the annual monitoring and reporting process to ensure your organisation's ongoing compliance with the [eligibility criteria\(external link\)](#) and the [Performance Standards\(external link\)](#). Registration is continuous so long as your organisation still meets the eligibility criteria and Performance Standards.

Your organisation is required to comply with all monitoring requirements, including providing [Change and Disclosure reports\(external link\)](#) as required, to alert us to issues we should be aware of.

Failure to continue to meet the eligibility criteria and the Performance Standards, including failure to report, could see your organisation placed on enhanced monitoring, or your [registration suspended or revoked\(external link\)](#).

Further details on annual monitoring are outlined in the [Annual Monitoring and Reporting Framework\(external link\)](#).
