# Annual reporting

All registered community housing providers (CHPs) must report annually to the Community Housing Regulatory Authority (CHRA) on their operations, through the annual regulatory reporting process. This is to ensure the ongoing viability of organisations we register and their ability to deliver social housing over the long term.

At the time of registration, organisations demonstrate they have the capacity to meet the Performance Standards. Once registered, we are required to monitor organisations' ongoing compliance with the Performance Standards.

Further information on all aspects of annual monitoring and reporting can be found in the [Annual Monitoring and Reporting Framework \[PDF, 299 KB\]](#).
